LETTER TO ISSUE FEE DIVISION

Dear Sir:

The Applicants wish to bring the following information to the attention of the Issue Fee Division regarding Application Number 10/713,591:

On January 22, 2004 the Applicant filed formal drawings, as replacement drawings to the informal drawings filed with the application, together with a Petition for Submission of Formal Drawings Prior to the Publication of the Application.

On April 2, 2004, the United States Patent and Trademark Office issued a Petition Decision (attached hereto) granting Applicants' Petition filed on January 22, 2004 and stating the replacement drawings will to be included for patent publication.

The Application was published on May 27, 2004 with the original informal drawings.

The Applicants wish to bring this to the attention of the Issue Fee Division to ensure the formal drawings filed on January 22, 2004, and subject to the Petition Decision dated April 2, 2004, will be published in the Issued Patent.

Thank you for your attention to and consideration of this matter. The Issue Fee Division is invited to call the undersigned, at the telephone number given below, if they have any questions or if the Applicants may provide any additional information to ensure the formal drawings are published with the Issued Patent.

Date: August 27, 2008

Respectfully submitted,

/Michelle Saquet Temple/
